Come to Strathmore Winter Sport Week and Festival

Namaka News

The dance put on by the Oddfellows on Friday last was well attended, and everyone reports a real good time.

The U.F.A. and the C.F.W.A. will hold a joint meeting at the home of Mrs. Sims on Saturday next, February 3rd. It is hoped that a good attendance of U.F.A. will be present as a circular letter of interest to all C.F.W.A. landowners will be discussed.

Mr. and Mrs. C. W. Watson were visitors to Calgary last week.

The Young People's Society met at the home of Mrs. Sims on Friday evening last, when 21 were present and all spent a most enjoyable evening.

Miss Maud Marston was a visitor here over the weekend.

Mr. W. Laurie is again residing at home.

Rose Carnival Successful Affair

A crowd numbering about a hundred and fifty turned out to the Rose Carnival held in the Memorial Hall on Friday evening last, and spent a very enjoyable time in dancing.

The decorations were very pretty, and the spotlight effects, manipulated by Mr. Harry Wood, also helped much to enhance the prettiness of the auditorium. Excellent music was provided by Little's orchestra, with the able assistance of Dr. Givins and Mr. W. Saunders. A nice supper was served by the ladies of the Ladies Auxiliary, G.W.V.A.

Miss Edith Gray is Carnival Queen. At midnight voting took place for the election of a Carnival Queen, and Miss Edith Gray was elected to that high position amid great applause, which was renewed when she was crowned by Mrs. A. W. Givins, and presented with a handsome basket of chocolates. Little George Miller acted as a page and carried the crown very prettily.

Among those whose work contributed to the success of the evening, and met mentioned above, were Messrs W. M. Marshall and H. Vickers, and a well-known ladies who made the most for the carnival and assisted in the other decorations.

All Next Week

Strathmore will be on the map all next week with a programme of sports and entertainments that will occupy all of the week except Friday, on which day Nightingale Athletic Association are holding a dance at Nightingale.

The details of the carnival will be found in another page of this issue. There may be alterations in some respects, as caused by weather conditions. If the roads are fit to travel hockey games will be played with Calgary or Gleichen teams.

There is no idea of making a killing for any organization in this Carnival. It has been undertaken by the Strathmore Board of Trade with the object of brightening up conditions during the winter. The opening night will be a free reception night in the Memorial Hall, under the auspices of the Board of Trade and G.W.V.A.

Make up your mind to come to Strathmore as often as you can during the week. It will repay you.

Ratepayers' Meeting Is Wash-Out

The indoor sport of Councillor baiting has fallen very flat this winter, owing to the country attractions. The annual ratepayers' meeting was called for Friday evening, but on the same night there was scheduled a hockey match, curling draws, and a Rose Carnival.

Mayor Butler was on the job at 8 p.m., and also the secretary, but as nobody else appeared the Mayor signalled a wash-out, and went to see the hockey game. One or two other councillors showed up a little later, and then they also went over to the rink. We understand one ratepayer put in an appearance.

All we can say about the meeting, therefore, was that it was a good game, and the home team won. We were there too.

Concerning the rendering of this winter's chorus at their recent concert in Calgary, Mrs. Glen, Reader had the following to say, which is self-explanatory: "The hallicious chorus arranged for men's voices was an interesting innovation, written in what harmonists call 'close position'—it was heavier, however, and less buoyant than with mixed voices, but was a remarkably successful effort of its kind. It was massive and impressive and justified the respect shown to it."

Town and School Nominations

TOWN AND SCHOOL BOARD NOMINATIONS MONDAY

Nominations for Strathmore Town Council and School Board will be received on Monday from ten to twelve noon. As reported elsewhere, the ratepayers meeting called for Friday did not materialize owing to counter attractions.

Those retiring from the Town Council this year are Mayor Butler, Councillors Tompkins, French and Bailey, and from the School Board, Trustees McDonald, Dobson and Vickers.

It is not certain that Mayor Butler will run again, though he has been approached to do so. His health is not very good at the present time, and he would rather let someone else carry on. Probable nominees are Dr. Givins and Councillor Bell. Dr. Givins is at present a member of the school board, and Councillor Bell has still one year to run as a Councillor. The retiring councillors will probably all run in another term.

For the School Board, Trustee McDonald and Dobson are not in town at present, the former having located in Bassano, and the latter being on the road. Trustee Vickers, however, will be re-nominated.

Nightingale-Masquerade

A very enjoyable masquerade ball was held at Nightingale Hall last Thursday evening. There was an exceptionally large attendance, and Nightingale U.F.W.A., under whose auspices the masquerade was held, benefited to the extent of \$42 net. The costumes were numerous, pretty, and original.

Winners were as follows: Best Gown—Mrs. Lounsbury, Indian; Best Lady's Costume, Mrs. Palmer, No. 1; Best Chaplin, Mrs. Givins. The judges were Mrs. A. W. Givins, Strathmore, and Dr. Givins, Rockford.

The music was provided by Mrs. Thompson's orchestra, and a splendid supper was served by the U.F.W.A. ladies.

If there is one thing in which churches, as a rule, need to be more careful, it is the matter of procreancy. With an indifference and an insensibility which we cannot understand many churches seem to think that a contrast between themselves and the minister is no contrast at all. They promise him a definite salary then pay him whatever is convenient. The gas man, the coal man and even the sexton must be paid, but the debt owing the minister is looked upon as altogether righteous and proper.

Carlton Chronicle

Blizzard on Sunday

The exceptionally fine weather which has been enjoyed for most of the present winter was broken on Sunday by a heavy blizzard, which kept almost everyone indoors during the day.

The temperature during the day was around ten below zero. Considerable drifting took place, and some of the roads are not at present impassable by car.

By Monday morning the wind had calmed down, and the sun was out again for the whole of the day.

Coming Events

St. Valentine's Dance to be held at Tuesday, February 13, in the Memorial Hall, under the auspices of Ancient Women's Guild. Good music. Admission, per couple, \$1.25 (supper included).

7-20

Dr. Bruce, dentist, will treat this late visit Strathmore 1st and 2nd Monday and Tuesday of each month, commencing February 5th.

Among the choral numbers presented by the Calgary C.F.R. Male Voice Choir is a male arrangement of the "Hallelujah" chorus from Handel's Messiah, which is seldom heard in the western country.

Calgary Curlers Visit Strathmore

Two rinks of Calgary curlers visited Strathmore on Saturday evening, and played a friendly game with members of the local club.

One of the visiting teams lost by a score of 15-5, while the other won by a 10-5 score.

The teams were as follows:

Strathmore—M. Barber (skip), M. R. Tait, H. S. Van Buren, R. B. Anderson, 15. Calgary—L. Hill, (skip) C. McKinnick, W. B. Trotter, W. A. Irving, 5.

Strathmore—G. Stewart (skip), R. Hamby, A. B. Foote, G. F. Butler, 5. Calgary—Dr. Mason (skip), R. B. Galt, J. Peterson, G. Hight.

The games were witnessed by numerous spectators. After the finish the visitors and a number of local curlers adjourned to Haas's, the Confectionery, where, after refreshments had been served, a few words of welcome were addressed by Mayor Butler and responded to by Dr. Mason.

School Board Meet

Strathmore School Board held what will probably be the last meeting of the old Board on Friday afternoon. Chairman McDonald having left Strathmore and Trustee Dobson also being away, the members present were Trustees Givins, Mackenzie and Vickers.

The Board passed a vote of appreciation to Trustee H. F. McDonald, for his services to the school, regarding his departure and wishing him every success in Bassano.

An insurance tangle was straightened out by the Board, cancelling one policy and ordering the renewal of one which falls due next month, with the agent representing the company whose policy was cancelled.

High School Fees

Correspondence was read from the department, and also from rural schools, with regard to payment of fees by pupils from outside districts. The ruling of the department was that if the pupils parents had rented a house in town they were not to be considered, but if the pupils were boarding the fees were due.

The annual meeting of ratepayers of Strathmore School District will be held in the Town-Hall on Thursday, February 1st, at 8 p.m.

ALL ROADS OPEN TO THE Official COMMUNITY SALE

MONTHS of preparation—months of intensive planning—and here it is—the Official Community Sale.

To-day the live stores of Strathmore—grouped together for one purpose—make formal announcements of radical reductions.

The officer with the official community star, as your guide, will show you the way through the pages of this paper—how to save money on quality merchandise.

Search diligently for the reproduction of the officer—as an identification of the best at the lowest prices possible. You will surely extend to him a most enthusiastic reception as his coming at this time means a healthy clubbing of prices and respect for his order to cut down profits.

COMMUNITY SALE

As will be seen from this week's issue, progressive merchants are uniting in a special sales week for all of next week, and are offering many special inducements to you to spend your money at home.

It does not seem reasonable that anyone should send six or seven hundred miles from home to buy an article if that article can be purchased as cheaply at home, and can be personally inspected before purchased. Local dealers are now cutting their prices to the bone, and are adopting an aggressive policy of low prices and cash sales. The same thing is happening all over the country, and is one reason why mail order business is suffering a heavy decline, while local merchants who are getting after the business are finding that their business, especially their cash business, is increasing.

If you encourage your five dealers in your own locality, you are helping to increase the value of your town as a marketing centre, and making it possible for merchants to give better values and at the same time do their bit in promoting sport and other facilities that you can take advantage of.

To be located close to a good five town means better local values and better times both for you and for the town with which you do business.

The merchants who are asking for your patronage in our columns this week are doing so with every confidence that they can meet your wishes, as regards price, quality and service. Give them the chance to prove it.

African News

Twenty Bites, some business visitors to Calgary.

Mr. Angus Bates shipped a car load of beef to Calgary, strathmore during the week.

Messrs. Kerra and Wise have completed a big building contract at Brooks. They report they had a good run and made money and many friends, which is not surprising in those who know the successfulness of Jack and Billy.

Apparently a great number of people are resigned and looking under a dubious that leaving their home consumption is terminable within the essential terms from the Government. Such is the case the more and the more they are asked to do without a benefit (which only costs a three-cent postage stamp) become liable under the act. One of our most highly respected farmers, the very essence of innocence himself became inadvertently entangled between the law and the stretch of the law, and found guilty and assessed two hundred dollars.

While this may be a warning to others who may quite innocently be bowing a little for their citizen's sake or otherwise, it isn't a warning proposition as you will agree in view of the excessive penalty in which it is no loss of credit until the fact is to have the opportunity of the law approaching this on this much recent question.

Page 4 little more by the water William.

Committee of J. L. L. who is visiting relatives in Ontario, says the weather in that region is most severe. There is described as high as the home in old Ontario. The weather here they don't miss as in Alberta having been near friends, and enjoy the seventy-three shades weather experienced during the last two months.

The Ontario C.F.A. have decided to cover their respective areas. The dealer the farmers of Ontario have discovered their insurance loss that chain stores violate the fundamental principle of co-operation. The two show and recovery business, however, are flourishing and yielding a handsome bonus to the farmers.

Delightfully and pleasantly surprised were Mr. and Mrs. McInnes on Tuesday evening when Mrs. McInnes' Sunday school class started a march to the music of the march.

Outline of Mr. McInnes' easy home. The two checked school class turned out in mass and presented their paper to the teacher with a small token to show their esteem and respect. Mrs. McInnes thoroughly thanked the children who after participating in games and singing returned home happy and contented.

Billy Elliott shipped three car loads of beef cattle during the week, and has loaded five more car loads loaded, his forty head of four-year-old steers from the famous ranch of Floyd Smith.

Mr. and Mrs. Vivernan and the Misses Gifferton returned to Calgary where they remained over the weekend.

Weather is building a typical snow, night, in honor of Scotland's immortal Lord, Robbie Burns, will take place in the L.O.O.F. Hall, Miss Jean Gault, whose friends claim as their own, have arranged to take an active part in the programme. A snow night is sure to be hot.

Mr. Frank Deane will visit the capital shortly, concluding business with pleasure. Mr. Deane has soundly his books for the fiscal year, and is due a well-earned rest.

Facing by their personal appearance, their hearty appreciation and esteem to a valued and valued subject the members of the C.F.A. and C.F.A. A. assembled at the comfortable farm home of Mr. and Mrs. J. D. Minton and presented a handsome gift to Mr. C. Lester, who has acted in the capacity of secretary-treasurer since the inauguration of their term.

Mr. Glen Carpenter, president of the ladies' end of the association, aided, and in making the presentation touched briefly on the excellent good qualities and character of Mr. Lester in his official capacity as secretary and citizen as well. Mr. Lester suitably replied. Some fifty odd members were present who thoroughly enjoyed the luncheon report presented so courteously by Mrs. Minton.

The silver article mentioned in the previous article to describe that of small 8-10 pounds. Chain articles are struck in the ground on rubber articles at the zone where silver in pay in articles is supposed to have been found. William has purchased a pair of articles and is preparing to

Harvey News

Mr. Roy Gendler picked up a car of his make in the strathmore a few days ago. He states that cattle in the Calgary market are bringing fair prices, and the prospect for the future are looking bright.

Several of the farmers from this district made it a point to be in Calgary during the U.F.A. convention. There seems to be a deeper interest shown each year. Why not? If the farmer doesn't wake up to his own interest, his activities, as a farmer, has a very poor lookout.

Mrs. Joseph Fontaine, his little daughter Catherine and brother James, spent Sunday at the Shober ranch and reported their stock wintering fine.

The heavy wind of Tuesday night raised havoc in this locality such as blowing down small buildings, putting wind mills to the bad and the like. This Harvey district seems to be a windy locality.

Says the Jewish landlady to his prospective tenant: "This is a good warm house, and we will put in a bath." Says the tenant, "I only want the house for two years."

Mr. J. W. Ellery, of Thorne, is spending the week with his cousin, Mr. and Mrs. Laycraft, after a week at the U.F.A. convention.

Several of the neighbors and friends dropped in on the Chamberlains Friday evening and spent a few hours in hilarity.

Local Notings

OF LOCAL INTEREST
Readers are requested to send in items for this column not later than 12 o'clock Monday noon preceding day of publication. All local news items are accepted by the Standard. Phone 17 or 58, self.

Thanks are due to Councillor Ed Hyde, who put up the supper for visiting and local cardinals after the games on Saturday evening.

At the regular meeting of Strathmore Ladies' Guild in Monday evening, Mrs. Hro. John Mackenzie was presented with a Past Master's Jewel in recognition of his services as Wor. Master during the year 1922. The presentation was made by Bro. Harry Viccars.

The annual convention of horse shoers and carriage makers of Alberta was held in Calgary last week, and was attended by Messrs. Alex. Gray, John Taylor, and John Taylor, junior, of Strathmore.

It is stated that all C.P.R. land, with the exception of the main line grant will be under taxation by 1923.

Among those who attended the Rose Carnival at Strathmore last Friday were Messrs. Al Fisher and J. Carnie, Messrs. D. J. and L. Carnie, Miss Shane, and Mr. and Mrs. D. J. Stewart, all of Calgary, and friends of Mr. and Mrs. Tom Barry. Mr. Harold Morgan, who has been for the past year employed in connection with the Government irrigation scheme in the south country, drove from south of Lethbridge, arriving at the dance about 1 a.m.

Mr. G. H. Hutton, superintendent of agricultural and husbandry branch of the C.P.R., addressed the dairy convention held in Calgary last week on "The Dairy Cow; Her Contribution to Alberta Agriculture," putting up a very strong plea for "bessie" on every farm in Alberta.

The C.P.R. programme of improvement for 1923 includes a new stock yards at Nightingale.

Mr. Ben. Fessenden, watermaster, and Mrs. Fessenden, arrived back in Strathmore last week after a month's holiday in the Western and Pacific States, returning by B.C. A large party of Ben's friends were on hand to assist him with his luggage, but he was travelling light.

Mr. Copeland, London, father of Mrs. R. H. Anderson, is at present in Calgary Hospital undergoing an operation.

Some of the local hockeyists are anxious to get a town league going, and they figure that three good teams could be formed among the C.P.R. departments and the town, which would give more of the boys an opportunity to indulge in Canada's great winter sport.

Mr. G. H. Jones, the new manager of the Demonstration Farm, has now arrived in Strathmore to take over his duties. Mr. Jones, previously to coming here, has been employed with the Live Stock Branch of the Government at Manitoba, and is thoroughly agricultural man. He is a graduate of Manitoba Agricultural College. We are sorry to hear that Mr. Brown, who has been in charge of the farm for the past year, is likely to be leaving Strathmore, where he and Mrs. Brown have many friends.

Andy Moran is considered by most writers to be the best individual player in the Western Canada and Pacific League. He plays with Regina and is a brother of Mr. J. V. Moran, Strathmore.

Miss Annie Burton, sister to Strathmore's new chief telephone operator, is at present relieving Miss Margery Carroll who has for the past few weeks been ill at her home in Medicine Hat.

Mrs. Quinn, mother of Mr. Geo. Quinn, of the C.P.R., was visiting here last week, returning to Calgary Saturday evening.

Mr. Harry Wood, of Strathmore, paid a visit to the city over the week end.

HERVEY NEWS

Mr. and Mrs. J. P. Lowry of the "Ice Pick" ranch spent Thursday at the P. Sargent ranch.

The mild open winter up to now has brought much snow along in good condition. Some of them suitable to put on the track without further help, which will materially help the man that has a limited amount of feed. The chinook left in Sunny Alberta has its advantages over any of the other provinces in this respect. If the does get a little dry sometimes.

Harry Hawakaya, the Jan. of this neighborhood, but of late a bell boy at the "Palmer Hotel" died two weeks ago at Calgary. He was a bright boy and attended school here.

A very enjoyable surprise party at the Harrell ranch on Wednesday last. A good crowd and a good time was reported.

Miss Gertrude Chamberlain spent the week-end in Calgary.

Anglican Church Meeting

The annual parish meeting preceded by a dinner of St. Mark's church was held in the dining room of the Memorial Hall on Monday evening last, when one of the most successful and enjoyable meetings took place.

There were some sixty persons who sat down to the very excellent and enjoyable repast provided by the ladies Guild.

A report was made by the people's warden of the financial statement for the year which, considering the present financial situation, was considered most favorable. He also made a few remarks upon the necessity of renewed effort on the part of all members to help see that there was no deficit at the end of 1922.

He congratulated the Ladies Guild upon the very successful start in the new year, and hoped this would be a successful one for them. On behalf of the vestry, he thanked them for the support they had given during the past year. The warden also tendered his personal thanks to Mr. Patrick for his supply of electric light for the church. Continuing he asked all members to support their minister by being at church every Sunday.

The meeting was then given a real musical treat by several vocal selections by Mr. Lydall. This was enjoyed so much and applauded that finally Mr. Lydall was prevailed upon to sing again later.

After this the election of wardens took place. Mr. Patrick was nominated again for the office. He wished the meeting, however, not to consider the nomination, as he thought the church would benefit by a change of officers and therefore nominated Mr. Ferns. However, upon being put to the vote, Mr. Patrick was unanimously elected for another year.

The following gentlemen were then elected to the office of vestrymen: Messrs. P. Young, Butler, Freeman, Perna, Ledwith, Craddock, D. French, Chase, J. Saunders, Barker, Ryan.

The following were elected aldermen: Messrs. Ryan, Saunders, Butler, Craddock, W. Saunders, Mr. Patrick and Mr. Harold Riddon were nominated as lay delegates to the synod at Calgary.

Mr. William Saunders was tendered thanks for the efficient way in which he had conducted his duties as secretary and was again elected to continue as such.

The annual report was presented by the Ladies Guild, which showed their work during the year had been most successful, but their revenue was somewhat reduced to the previous year.

The meeting ended with everyone expressing themselves as being highly pleased at the very good time they had spent together.

President Thornton's Special

Some Canadian newspapers have been critical of late of what they term the "luxurious" manner in which the new President of Canadian National Railways, Mr. Thornton, is conducting the leading officials of the lines, are taking a rather thorough, if rather hurried, inspection of the physical plant of Canada's publicly-owned and controlled railways. Such criticism, when honestly offered originates in the conviction that waste is inevitable in any plan to reduce deficits on a publicly-owned enterprise. The fact is that all capable officers of a railway believe that waste is inevitable under any condition, and govern themselves accordingly. Were critical newspapers aware of all the facts connected with an inspection trip over railways, under circumstances such as those ruling the continent-wide journey of our new C.N.R. head, it is safe to say that no criticism would be offered at all.

DOROTHY DALTON A VIGILANTE

Dorothy Dalton, Paramount star, organizes a vigilante committee in "The Crimson Challenge," her new picture, which will be at the Memorial Hall next Wednesday. She does this to run a bad gang out of East Valley and to avenge the murder of her father. It means wild riding, shooting and all kinds of exciting action—Jack Mower plays opposite the star and heads an unusually strong supporting cast.

In presenting the Calgary C.P.R. Male Voice Choir to the Strathmore audience, the local Board of Trade is to be strongly commended, and the event will make a fitting end to the mid-winter sports week which all here are now taking hold of and pushing with a vim.

C. P. R. Choir Coming Strathmore Feb. 10th

The Calgary C.P.R. Male Voice Choir, although only organized in January 1922, can now boast of a membership of 78.

Every member is a C.P.R. employee. The understanding is that he for his membership in this organization should be able to leave the service of C.P.R.

When the choir was organized, it was met with the greatest enthusiasm and all interested. Each month since its inception this choir has grown. In time the membership will, no doubt, number one hundred singers, all C.P.R. employees at Calgary and vicinity. The average attendance at practices this season has been fifty-five, whereas last season it was thirty-five.

The choir is fortunate in having some of the C.P.R. officials as patrons, such as: D. C. Connors, Vice Pres.; Chas. Murphy, Gen. Man.; D. R. Stockhill, J. M. Cameron, Geo. Fox, P. S. Naimish and A. S. Dawson.

These officials are taking a great interest in the progress of the choir. The choir is most fortunate in having as its conductor, Mr. Horace Reynolds, also a C.P.R. employee. Mr. Reynolds has had many years experience in connection with choir work. This experience has been of inestimable value to the success the choir has made. As a soloist Mr. Reynolds has few equals in the province.

The bringing of a choir of 60 male voices is unique in the annals of Strathmore, and the town is to be congratulated in being able to book a date with his large organization. Need less to say it deserves loyal support for all living in town and vicinity.

Report was of a very extremely interesting nature and is published in another part of this issue.

Regarding Fire

Rockytord has certainly been fortunate and we might say lucky, when we stop to consider the numerous fire disasters we read of happening far and near. One fact is, however, and here we kill the word "lucky" that our residents have certainly handled their fires very carefully and paid proper attention to the condition of all stoves and pipes. Let the old axiom "Safety First" be ever important in our minds, with regard to our fires these days when so many fires are necessary. As soon as you read this we would suggest that you take the course of your fire extender and see that the Acid bottle is in good condition and filled with the proper amount of acid.

The writer had occasion to have some extinguishers refilled a few weeks ago, and on inspecting them found the bottles empty. We understand there are a few spare extinguishers ready filled and perhaps if some of our residents who have not got any in their private homes, would ask the council, an arrangement might be made to have one in each home where it is not necessary to have a tank, but not only be a protection to the residents in case a small fire broke out, but the residents would be that much more prepared if a call came.

The next regular meeting of the council will be Monday evening, February 12th, and the writer would suggest that every resident come out and talk over this most important matter of fire protection to the end that we will be ready to make the most use of what the fire-fighting appliances we have at hand.

noted.
The announcement of the new town of Rock and Castle appears on this page this week. Mr. Ross has been in charge of the Becker Hardware for the past four years, while Mr. Ross has nine years experience as a specialty salesman in the Province of Alberta. We wish the new firm every success.

O. R. Bosch, Phone 608, Strathmore, 2-14

Rockytord Officials

The Rockytord Village Council for the year 1922 will be: Messrs. C. E. Welch and Reeve; Fred H. Hunter and P. T. Treves, councillors; Mr. E. W. Post, secretary-treasurer.

The Grinnell (Rockytord) School Board for 1922 will be: D. S. Howick, chairman; C. A. Smith and T. D. T. trustees; Fred H. Hunter, secretary-treasurer, assessor and tax collector; Miss Florence Welsh and Mrs. Ruth McVee are the teachers until the end of June of next.

The C.N.R. time table for Rockytord station is as follows: West bound No. 9, daily, Winnipeg to Calgary, 9:47 a.m. Runs as local between Hanna and Calgary on Mondays only.

No. 25, Edmonton to Calgary, daily Sunday, 6:01 p.m.

East bound, No. 26, Calgary to Edmonton, 9:47 a.m. daily except Sunday No. 16, daily Calgary to Winnipeg, 10:01 p.m. Runs as local between Calgary and Hanna on Saturdays only.

New trials have been organized. This decrease is partly explained by the fact that a number of C.P.R.A. heads decided to amalgamate with the U.P.A. and therefore have not been tied to the movement. Her remark was to the effect that it was very women in the gathering would go home with a realization that she is personally responsible for making her local a necessary and valuable link in the organization, the compilation will meet with an increase in number and influence since it has never experienced in the past. I am here to let you know that this piece.
